Read the following letter from Captain H L PRENDERGAST, R E, Executive Engineer in charge of the Superintending Engineer's Office, 8th Division, to the Controller of Public Works Accounts, dated Palamcottah, 7th December 1868, No. 2,035.

1 Supplemental Pay Abstract.
3 Do Travelling allowance Bills

As I have been doing duty as a Superintending Engineer for two and a half months, I imagine that by G. O., No. 2,799, of the 11th September 1867, I am entitled to deputation allowance and travelling allowance at the higher rate; and have the honor to forward for audit, supplemental bills for the period from date of taking charge, viz, 19th September 1868, to the end of last month.

Vide 'Fort St. George Gazette' of 22nd September 1868.

SUBMITTED for the consideration and orders of Government

2. As Colonel F. J. Moberly has drawn deputation allowance only from the date* following that on which he relieved the late Colonel Winscom in the 2nd

3. Under the rules, it will be necessary, in the event of Captain Prendergast's claim being favorably received by Government, that that Officer's appointment to act as Superintending Engineer should be gazetted, with retrospective effect from the 19th September 1868.
