MEMORANDUM

The claim preferred by Captain Beckley for deputation allowance is inadmissible in the absence of a Notification of his appointment in the Official Gazette as Acting Superintending Engineer of 1st Division. The mere being in charge of the Superintending Engineer's Office does not entitle Captain Beckley to deputation allowance, vide G O, 9th May 1865, No 1,265

(Signed) S BROCK,
Controller of P. W. Accounts.

No. 49. ORDER THEREON, 6th January 1869, No. 25.

ESTABLISHMENT, No. 9.

As, in the Order of the 3rd September 1868, No. 2,809, it was distinctly intimated that the charge of the Office

of the Superintending Engineer of the 1st Division should devolve during Captain Ryves' absence upon the senior Officer in the Godavery District, Captain Beckley should have been aware that it was not the intention of Government that the arrangement should involve any extra charge to the State, and the Controller is correct in disallowing Captain Beckley's claim to deputation and extra allowances.
