*Proceedings of the Madras Government, Public Works Department,
7th January 1869.*

No. 67. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account, Railway,) to the Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Fort William, 17th December 1868, No. 258 A. R —

1. I am directed to acknowledge the receipt of your docket, No. 3,413, dated 30th October 1868, forwarding statements of the unrealized assets of the Great Southern of India and of the Madras Railways, on the 1st March 1868, and in reply to observe that it is not quite clear what the return for the Madras Railway is intended to represent. What was required is a detail of the balances of the earnings for the half-year outstanding on the 31st December still remaining unrealized on the 1st March, but instead of this the entire outstandings on the latter date has apparently been brought forward in the present statement. I am to request, therefore, that this point may be explained, and a revised statement, if necessary, submitted.

2. I am also to observe, that these outstandings should hereafter be shown on the Revenue Account, in order that the net profit, to be placed to the credit of the Guaranteed Interest Account, may be arrived at, as laid down in Public Works Department Resolution, No. 995-1,000 A, dated 20th September 1867.
