No 86. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Salem, 7th December 1868, No 162 —

With reference to G O, No 3,450, of the 4th November last, I have the honor to recommend the transfers of Rupees 150 and 122, respectively, from the grants for Salem and South Arcot, under Minor New Works "Communications," to meet the current year's outlay of Rupees 272-6-2, on account of the Agaram Vadugagounden anicut and channel, in the Salem District.

No. 87. ORDER THEREON, 7th January 1869, No. 45.

IRRIGATION, No. 6

As there is every probability of funds being available later in the year for appropriation under "Agricultural,"

the Government do not consider it necessary to sanction the transfer recommended in this letter. The work referred to may, however, be proceeded with in anticipation of a specific allotment.
