*Proceedings of the Madras Government, Public Works Department,
7th January 1869*

No 88 Read the following Endorsement of the Deputy Secretary to Government, Military Department, dated Fort St George, 4th January 1869 —
Read the following letter from the Quarter Master General, to the Secretary to Government, Military Department, dated Fort St. George, 29th December 1868, No. 8,969 :—

In returning the telegram from the Government of India, received with your endorsement, dated 23rd instant, I have the honor, by order, to submit for the information of Government, that the Commander-in-Chief assumes that the detachment of Sappers employed on the Tambracherry Ghaut will be permanently reduced to one Company at the termination of the present working season. His Excellency, therefore, considers that a Company of the corps may be made available for employment at Rangoon, and one will accordingly be detailed for that service from Regimental head-quarters on the receipt of final orders for its despatch.

REFERRED to the Department Public Works, with a request that this Department may be informed whether two Companies of Sappers will be required during the ensuing working season at the Tambracherry Ghaut.

(Signed) C. S. ELLIOT, Lieut.-Colonel,
Deputy Secretary to Government.

No 89. ORDER THEREON, 7th January 1869, No. 46.

ESTABLISHMENT, No. 12.

As the Tambracherry Ghaut is reported to be now available for wheeled traffic throughout, and will probably be entirely completed before next rains, the Government are of opinion that it will not be necessary to retain more than one Company of Sappers and Miners in Wynad after the termination of the present working season.
