Nos. 129-130

Bishop's-down at Ootacamund—Proceedings Public Department requesting that orders may be issued for the preparation of an estimate for certain repairs to the Bishop's-down at Ootacamund, Coimbatore District, communicated to the Officer concerned.

Proceedings of the Madras Government, Public Department,
9th December 1868

No. 43. Read the following letter from J. W. BREEKS, Esq, Commissioner of the Neulgherry Hills, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 18th November 1868, No 11.

With reference to Messrs Arbuthnot and Co.'s letter to your address, dated 21st May 1868, and Government Order thereon of 8th June, No 691, concerning the Bishop's-down property, I have been in communication with Messrs Arbuthnot and Co., and Messrs. Vertue and Minchin

2. I have nothing on record in my office regarding the lease of the property by Mrs. Dealtry to Government, nor regarding the sublease by Government to Colonel Angelo. All I have is the office*

* The original appears to have been lost

copy of the inventory of the furniture

sent me by the Superintending Engineer from his records, and forwarded through the Collector of Coimbatore.

3. In communication with Mr. W. R. Arbuthnot, I have been for some time prepared to go over the inventory, and hand over the house and furniture to Messrs Vertue, Minchin, and Co, but Mrs. Arbuthnot being still in the house, we have thought

it best to await her departure on the 30th instant.

4. From what I can learn from Messrs Vertue and Minchin, and from paragraph 4 of Messrs. Arbuthnot and Co's letter mentioned above, the Government are bound to return the property in good repair. As some nice questions may arise out of this, I should like to be furnished with a copy of the lease, and of all papers relating thereto. I may mention here that the Executive Engineer informed me yesterday, that, in obedience to orders in the Department Public Works, he estimated the repairs needed some time back, since when the roof of some stables behind the house has fallen in. As possession of the property has not yet been formally delivered over by Government to the owners, for the reasons stated in paragraphs 2, 3, and 4 of Messrs. Arbuthnot and Co.'s letter before mentioned, it seems to me that it will only be equitable to call upon the Executive Engineer to make a fresh estimate of repairs needed on the day following that on which I formally hand over possession, viz., on the 1st proximo.

No. 44 ORDER THEREON, 9th December 1868, No 1504.

The Governor in Council directs that the papers specified in the appended list, and connected with the lease, &c, of Bishop's-down, be furnished to the Commissioner of the Neulgherry Hills. The Government approve the proposal contained at the close of Mr. Brecks' letter above recorded, that a fresh estimate may be obtained of the repairs that may be required to the property on the day succeeding that on which the possession of the premises is formally made over to the Agents, Messrs. Arbuthnot and Co.

2. The necessary orders will be accordingly issued, in the Public Works Department, for the preparation of the required estimate.
