Resolution by the Government of India, Financial Department, dated 27th February 1869, No. 1,263.

Read the following :—

From the Secretary of State for India, to the Government of India, dated 20th January 1869, No. 25.

1. With reference to paragraph 5 of the Financial Despatch, dated 24th October 1867, No. 366, I have to acquaint you that great difficulty is experienced in rendering the statements therein referred to of payments in this country to certain Officers chargeable to the Berar and Mysore Administrations and the Hyderabad Assigned Districts, owing to the irregularity in the transmission from India of lists of such Officers absent on leave, and I have accordingly to request that you will give directions that in all cases where the pay of an Officer proceeding on leave is chargeable to a particular Local Administration, a note to that effect may be made on his leave and pay certificate.

2. You will issue the necessary instructions on the subject to the Governments of Madras and Bombay.

ORDER.—Ordered, that a copy of the above, and of No. 366, dated 24th October 1867, be forwarded to the Foreign, Military, and Public Works Departments, the Governments of Bengal, Madras, and Bombay, and the Comptroller General of Accounts for information and guidance.

Ordered also, that a copy of the Despatch now read be forwarded to the Deputy Accountants General, Hyderabad and Mysore, in continuation of No. 3,215, dated 30th December 1867.

From the Secretary of State for India, to the Government of India, dated 24th October 1867, No. 366.

1. I have considered in Council your Foreign (Finance) letter dated the 22nd June last, No. 11, replying to Lord Cranborne's Financial Despatch dated the 15th February last, No. 46, in which a suggestion was made whether a charge should not be made against the Berars on account of the General Administration Charges of the Government of India.

2. Under the explanation which you have furnished, and for the reasons stated, I concur with you in thinking that it would be inexpedient to attempt to debit the districts in question with any charge on the account proposed.

3. In connection with this subject, and in reply to your Financial letter, dated the 28th February last, No. 65, I have to acquaint you that, before quarterly statements can be prepared in this country of payments to Military and Civil Officers absent on leave from appointments in the
