(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

Read the following papers:—

No. 688. From the Inspector General British Medical Service, to the Secretary to Government, Military Department, Fort Saint George; dated Madras, 4th February 1869, No. ⁴⁷/₆₉.

Referring to the Proceedings of the Madras Government, No. 3957 of 14th October 1867, as nothing has as yet been done for supplying the troops generally with cooking stoves, I beg again most respectfully to urge the necessity of the supply being carried out, and to request you will be so good as to bring this sanitary measure again to the notice of Government.

No. 689. From the Quarter Master General, to the Secretary to Government, Military Department; dated Fort Saint George, 11th. February 1869, No. 1096.

I have the honor, by order, to give furtherance to the enclosed letter to your address from the Inspector General British Medical Service, urging the supply of cooking ranges for the use of the European Troops in this command.

The subject was referred to the Government of India on the 14th October 1867, since which date nothing appears to have been done on the question of the provision of this article for the European Troops generally. It is, however, observed that so recently as the 14th September

* *Vide Order of Government, No. 4624, dated 26th November 1868.* 1868, the Government of India passed orders* on a standard plan of cook-

rooms; and in a note on the plan it is stated that the ordinary Native Choolahs are generally preferred to ranges for the reasons therein mentioned. It therefore seems unnecessary to await any further orders from the Supreme Government on the general question: and His Excellency the Commander-in-Chief would again recommend that the Government of India be moved to pass orders on the proposal made in the last paragraph of the letter from this Department, dated 20th September 1867, No. ¹³¹³/₆₀₀₅, for the supply of Duff's cooking ranges for the several stations in the Pegu Division.

P. S.—I will submit a further communication to you hereafter on the question of supplying cooking ranges for the use of the European Troops generally.

No. 690. ORDER THEREON, 23rd March 1869, No. 1129.

Ordered that the Government of India be addressed, soliciting early sanction for the supply of Duff's cooking ranges for European Troops in the Pegu Division, referred to in the last paragraph of the Quarter Master General's letter No. ¹³¹³/₆₀₀₅, dated 20th September 1867, forwarded with reference to previous correspondence as per margin, with this Department letter No. 3958 of 14th October 1867.
