No. 214. Endorsement of the Consulting Engineer for Railways, dated Madras, 11th March 1869, No. 85.

From the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 9th March 1869, No. 105.

1. I regret to have the honour to report, for the information of Government, that the state of Dr. W. J. vanSomeren's health is such as to render his return to England advisable.

2. Pending the approval of my Board of Directors, I have requested Dr. Urquhart, the Company's Physician at Perambore, to take charge of the office of Consulting Physician, and if Dr. Mair is agreeable I propose to place him in charge of Dr. Urquhart's duties at Perambore.

SUBMITTED for the information of Government.

2. With reference to the arrangements proposed by the Agent of the Madras Railway Company for conducting the duties of Consulting Physician during Dr. vanSomeren's absence in England, I think it right to mention that Dr. Urquhart holds at least two appointments under Government, viz., the Coronership of Madras and the Professorship of Medical Jurisprudence in the Medical College. I do not know whether, under the Orders of Government, dated the 3rd June and the 1st September 1868, Nos. 1,750 and 2,792, the appointment of Dr. Urquhart to act as Consulting Physician to the Railway Company will be held to interfere with the performance of his duties in Madras.

Consulting Engineer for Railways.

With reference to paragraph 2 of my letter of the 9th instant, No. 105, I have the honour to state that Dr. Mair has declined to act for Dr. Urquhart as this Company's Physician at Perambore. I have, therefore, appointed Dr. C. G. Couran.

SUBMITTED for the information of Government, with reference to this Office letter No. 85, dated 10th March 1869.
