Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Judicial Department,

20th March, 1869.

Read the following papers :—

No. 251. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Dowlaishweram, 22nd January 1869, No. 197.

In the Subsidiary Jail Committee's report on the requirements of the Godavery District, they recommend asphalted-floors to *all* Subsidiary buildings. I have the honor to solicit your instructions regarding the floors of *Cook-rooms* and *Ryots' waiting sheds*. I should say that asphalted-floors were *only* needed for the Hospital and Latrines besides the Jail wards.

2. I assume that it is *not* intended that the floors of the Cutcherry rooms are to be asphalted, where good dressed stone-pavements can be laid at considerably less cost. For the Jail wards, Latrines, and Hospital shed asphalted should be used in every case.

Referred to the Judicial Department, with reference to the order in that Department, No. 1844, of 8th December 1868.

FORT SAINT GEORGE,
2nd February 1869.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt., P. W. D.

Referred to the Committee on Subsidiary Jails for report.

FORT SAINT GEORGE,
4th February 1869.

(Signed) W. S. LILLY,
Ag. Under Secy. to Govt.

No. 252. From the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 6th February 1869, No. 263.

With reference to Mr Acting Under Secretary Lilly's Memorandum of the 4th instant, on a letter from the Superintending Engineer, 1st Division, we beg to observe that G. O., Judicial Department, of the 8th December last, No. 1844, paragraph 2, sanctions asphalted for the floors of all the wards and Subsidiary buildings; and to state that, in our recommendations, we have proposed asphalted for the floors of Jail wards and Latrines only.

No. 253. ORDER THEREON, 20th March 1869, No. 471.

Ordered that a copy of the letter from the Committee on Subsidiary Jails be furnished to the Superintending Engineer, 1st Division, and that he be informed that the Government concur in the opinion expressed by that officer that asphalted-floors are *necessary* in the Jail wards, Latrines, and Hospital sheds, and *not* in the Cook-rooms and Ryots' waiting sheds. The flooring of the Cutcherry rooms need *not* be asphalted.
