Proceedings of the Madras Government, Public Works Department, 9th April 1869.

No. 227. Read the following letter from the Superintending Engineer, 2nd Division, to the Chief Engineer for Irrigation, dated Bezwarah, 12th March 1869, No. 171:—

1. I have the honour to bring to your notice that, in applying to the Government of India for sanction for a Surveying Establishment, two years was named as a limit—see G. O. No. 3,402, dated 24th October 1866.

2. The Establishment under Mr. R. Smith has been employed since April 1867—see No. 1,249.* As I understood you to say that you proposed the investigation of the Soornamookey and other projects in Nellore, I beg that you will take the necessary steps to ensure their retention.

* Public Works G. O., dated 27th April 1867.

No. 228. ORDER THEREON, 9th April 1869, No. 1,158.

ESTABLISHMENT, No. 21.

1. The Government sanction the employment of the Surveying Establishment, which has been, since April 1867, under Mr. R. Smith's orders, for such further period as may be found to be necessary. The cost will be met from savings, from the provision for Establishments in the Budget.

* Proceedings Madras Government, No. 247, dated 27th January 1869.

2. Colonel Moberly should report, as soon as possible, when the Sungum project* will be ready for submission.

Paragraph 16 of letter from Chief Engineer for Irrigation. Proceedings Madras Government, 27th January 1869, No. 247.

3. So soon as that project shall have been completed, Mr. Smith should be instructed to examine the Kundlairoo and its irrigation, with a view to the preparation of a project for utilizing the supply available, and for improving the Gudur and Chennur tanks.

Paragraph 15 of letter above.

4. After the Kundlairoo, the Soornamookey will be taken up, and its capabilities ascertained.
