Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 22nd January 1869, No. 16.

I have the honor to submit an estimate of Rupees 800, prepared by the Superintending Engineer, and countersigned by myself, for the construction of a wooden fence and good approach to the Custom House compound at Beypoor, and to request sanction thereto. The Superintending Engineer observes that funds will probably be forthcoming for carrying out the work from the Reserve of next official year, and will be executed by the Department Public Works.

ENCLOSURE No. 1.—Estimate.

The Board approve of the work, and resolve to submit the estimate, amounting to Rupees 800, for the sanction of Government.

No. 553. ORDER THEREON, 20th March 1869, No. 783.

Miscellaneous.

1. With their Proceedings above recorded, the Board of Revenue submit  
for sanction, an estimate of Rupees 800, for the construction of a wooden fence and good approach to the Custom House compound at Beypore, but there is no information to shew why the work now contemplated has become necessary, while the business of the port has been transacted without it for many years. The Board will accordingly be requested to report further on the subject.

2. A good Aloe hedge might be planted and matured at a trifling cost, and form an excellent fence.
