Dated 10-12-1869.

*Proceedings of the Madras Government, Public Works Department,
10th April 1869.*

No. 259. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 31st March 1869, No. 6,233:—

1. I have the honour to enclose, for the favorable consideration of Government, an application, in original, from Mr. Leggatt, Executive Engineer No. 4 Range, Madras, recommending Mr. Surveyor Adolphus for the post of Supervisor, 2nd class, in the Department. Mr. Adolphus's requisition is also forwarded.

2. Government having already in Order of the 14th May 1868, No. 1,516, authorized his appointment as Talook Overseer, I should not have brought to notice this second application, had not Mr. Adolphus received an offer of a post in the Nizam's service of Rupees 250 per mensem, which, under present circumstances, he will probably accept. Government also lately authorized the employment of a Mr. Goodsir as Acting Supervisor on the Madras Water Works, to be permanently appointed to the Establishment when a vacancy occurred, and as Mr. Adolphus has stronger claims, and has continued to give satisfaction to the Officers under whom he is employed, I trust a special order may be passed in his favour, so as to retain his services after his Survey duties are completed.

No. 260. ORDER THEREON, 10th April 1869, No. 1175.

ESTABLISHMENT, No. 27.

The Government are glad to receive so favorable a report of the character and abilities of Mr. Adolphus, and his claims

to a suitable appointment on the permanent strength of the Department will be considered when a fitting opportunity offers.
