Proceedings of the Madras Government, Public Works Department,
10th April 1869.

No. 266. Read the following Circular from the Government of India, dated Fort William 19th March 1869, No. 21 :—

Budget-Estimate of the Public Works Department for 1869-70.

Read—

Report on the Budget-Estimate of the Public Works Department for 1869-70 by the Officiating Accountant General, Public Works Department, dated 8th March 1869.

Resolution.—The Governor General in Council observes with satisfaction the early date at which this report has been submitted.

2. The tables appended to the report are, as usual, well arranged, and appear to afford all the information that can be desired in regard to the distribution of the Public Works grants for the period which they embrace, viz., six years, from 1864-65 to 1869-70 inclusive.

3. The paragraphs of the report which appear to call for special notice are the following :—

Para. 4.—The Government of Bombay should explain the necessity for providing so large a sum as £ 10,300 for the repairs of Cantonment roads in that Presidency.

Para. 9.—It is satisfactory to observe that, while the expenditure on Public Works in India is increasing year by year, the estimate for Establishment charges for 1869-70 is proportionately less by 1 per cent. than that of 1864-65.

Para. 11.—The attention of the Governments of Bombay and the Punjab is invited to the apparently large sums provided in their estimates for travelling charges. A careful check should be exercised over the expenditure against these items.

Para. 18.—It seems desirable that a date should be fixed for the submission of the Local Fund Budget-Estimates, and there is apparently no reason why they should not be submitted on or about the same date as the Imperial estimates ; but before issuing any final orders on this point, the Governor General in Council would be glad to be favored at an early date with an expression of the opinion of the several Local Governments and Administrations as to the most convenient time at which these returns may be furnished.

Order.—Ordered, that the foregoing Resolution, together with the papers read, be forwarded to all Local Governments and Administrations, to the Financial, Military, Home, and Foreign Departments, and to the Quarter Master General of the Army, for information.
