*Proceedings of the Madras Government, Revenue Department,
31st March 1869.*

No. 684. Read the following Proceedings of the Board of Revenue, dated 25th February 1869, No. 1,265:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated on circuit at Chevayur, 11th January 1869, No. 8.

1. The Board are aware that, under the sanction conveyed in Government Board's Procs., dated 7th May 1868, No. 3,368. Order, dated 29th April 1868, No. 1,155, some alterations were made to the building lately occupied as a Garrison Hospital at Cannanore, with a view to fitting it for the Cherakal Talook Cutcherry.

The alterations have been completed, and I request sanction to move the Cherakal Talook establishment to Cannanore at once, and make over the present Talook Cutcherry at Udiankummu to the Superintendent of the Central Jail.

2. On a late visit to Cannanore, and inspection of the late Garrison Hospital, however, I found that some further improvement is very desirable. The Civil Treasury will be moved in due course to this building, but the accommodation is very imperfect. A covered way, to unite the Tahsildar's room with the rest of the building, is required, and the compound, which is open on almost all sides, and presents a very untidy appearance, should certainly be enclosed.

3. I beg to forward a rough plan of what is proposed. The work apparently will cost some Rupees 4,300; but the surrounding wall will enhance the value of the premises, whatever may eventually become of them, and the minor alterations will conduce greatly to convenience for a long time to come. With the Military buildings, Central Jail, &c., now in progress, or contemplated at Cannanore, it will not be possible to undertake and complete a Talook Cutcherry there, on the new standard plan, for several years to come. I therefore request sanction to call for detailed plan and estimate of the works now proposed.

4. Some change in the Talook and Civil Treasury establishments will be desirable, with respect to which I am in communication with the Sub-Collector, and will address the Board shortly.

I do not propose moving the Civil Treasury to the Talook Cutcherry till the improvements now suggested, or similar ones, which mainly affect the Treasury Department, have been made, by which time the question of establishments will have been reported on and disposed of. But as above said, as the main part of the building is ready and commodious enough, and the Jail Department are desirous of acquiring the present Talook Cutcherry, I propose vacating it and moving the Tahsildar and present Talook establishment to Cannanore at once.

ENCLOSURE No. 1.—Plan.

THE Board consider the further alterations proposed to the Cherakal Talook Treasury, lately occupied as a Garrison Hospital at Cannanore, desirable, and accordingly resolve to request the sanction of Government for the submission of a detailed plan and estimate for the work.

2. The Collector's proposal to remove the Cherakal Talook establishment at once to Cannanore, is approved by the Board.

*Proceedings of the Madras Government, Revenue Department,
31st March 1869.*

3. The proposed transfer of the present Talook Cutcherry at Udiankummu to the Superintendent of the Central Jail needs the sanction of Government. The Board see no objection to the transfer.

No. 685. ORDER THEREON, 31st March 1869, No. 848.

Miscellaneous.

1. The arrangement under which the Garrison Hospital at Cannanore is to be occupied by the Tahsildar's Cutcherry is a temporary one, and the Government are therefore averse to incurring any heavy outlay for the purpose of adapting the premises for a Cutcherry.

2. The compound wall is certainly unnecessary. A good hedge might be planted at a small cost. The covered passage between the Tahsildar's room and the Treasury and other minor alterations are approved.

3. The transfer of the Talook Cutcherry at Udiankummu to the Superintendent of the Central Jail is sanctioned.
