Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Public Department,

23rd March 1869.

No. 200. Read the following letter from the Inspector General of Ordnance and Magazines, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 23rd February 1869, No. 339.

Ordnance Department.

With reference to paragraph 4 of Proceedings of Government, No. 171, dated 11th February 1865, on the subject of the removal of all machinery *not in use* to one Central Store, I have the honor to state that the Store-keeper of Machinery, Department of Public Works, has, on inquiry by me, intimated that he is prepared to receive over such machinery belonging to this Department; but in stating this he stipulates for one condition, viz., that the machinery must be made over unconditionally to the Public Works Stores Department, the entire control and disposal of the machinery resting with the Head of the Public Works Department.

2. There is no objection to the entire control over the machinery being vested in the Head of the Department of Public Works; but it is unadvisable that machinery specially obtained for a Department should be disposed of without the knowledge of that Department; as an instance, the machinery for Snider ammunition, which belongs to the Ordnance Department, is now in the roads; it is quite uncertain when it will be set up; but it cannot, of course, be at the disposal of any other Department.

3. I beg to inquire whether Government approve of machinery of Departments at the Presidency being moved into one Central Store, and placed under the orders of one responsible officer.

Referred to the Department of Public Works.

(Signed) R. S. ELLIS,

Chief Secretary.

4th March 1869.

The undersigned has the honor to state that there is no objection to the machinery belonging to the Ordnance Department being received into the Central Stores at Chepauk. The condition under which the Store-keeper proposes to accept the charge of the machinery has reference simply to its custody, and it is not intended that he should exercise the power of disposing of any portion to other departments without the special sanction of Government.

Secretary to Government, P. W. D.

8th March 1869.

To the Chief Secretary to Government, Fort Saint George.

No. 201.

ORDER THEREON, 23rd March 1869, No. 376.

Under the conditions specified in the foregoing endorsement of the Secretary to Government, Public Works Department, the Government see no objection to the removal to the custody of the Store-keeper of Machinery, Department of Public Works, of all machinery, not in use, belonging to the Ordnance Department.
