Nos. 277-278

Copy - Proceedings Military Department relative to the payment of the difference between the consolidated salary of an appointee and the substantive military pay of an Officer, when the latter exceeds the former, communicated to the Officers concerned.

Proceedings of the Madras Government, Military Department,
21st December 1868.

Read the following papers:—

No. 616 From the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor General of India in Council; dated India Office, London, 14th October 1868, No. 358.

I have considered in Council your letter, dated the 28th of July last, No. 279, bringing to notice the cases of Lieutenant-Colonels Stainforth and Smith, who, by the operation of the rule laid down in the Secretary of State's despatch of the 8th of October 1863, No. 352, have, on obtaining promotion, resigned their appointments in the Public Works and Police Departments, respectively, in consequence of the salary of their appointments being less than the pay of their substantive military rank.

2. As instances of this kind will rarely occur, I sanction the adoption of the rule proposed by your Government, that in any such exceptional case, the difference between the consolidated salary of the appointment and the substantive military pay of the Officer should be paid to him and treated as a military charge.

3. Should your Excellency find no difficulty in re-placing Lieutenant-Colonels Stainforth and Smith in the appointments which they have vacated, I shall not object to your assigning a retrospective date to the operation of this order for that purpose.
