*Proceedings of the Madras Government, Revenue Department,
6th January 1869.*

Read the following:—

No. 50. Proceedings of the Board of Revenue, dated 5th October 1868, No. 7,009.
Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 28th July 1868, No. 78.

1. I have the honor to enclose for sanction, an estimate, amounting to Rs. 1,210, for completing the shore end of the Barwah* road.
* Sanctioned in G. O. No. 2,844, of 29th November 1867.

2. The Collector of Ganjam highly recommends the completion of this road. The cost of the work now proposed should, I think, be charged to Port Funds, although the road under reference is now being completed from "District Road Fund"

ENCLOSURE No. 1.—Estimate.

REFERRED to the Revenue Department.

Secretary to Government, P. W. D.

4th August 1868.

REFERRED to the Board of Revenue.

FORT ST. GEORGE,

5th August 1868.

(Signed) R. A. DALYELL,
Acting Secretary to Government.

REFERRED to the Master Attendant in charge of the Office of the Superintendent of Marine, who, if he concurs with the Collector in considering that the cost should be debited to Port Funds, is requested to provide the required amount for the completion of the Barwah road from the Port Fund according to the estimate herewith sent.

No. 51. Proceedings of the Board of Revenue, dated 3rd December 1868, No. 8,503.

Read again letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated 28th July 1868, No. 78, recorded in the Board's Proceedings, dated 5th October 1868, No. 7,009.

Read also the following letter from the Deputy Master Attendant in charge, to the Acting Secretary to the Board of Revenue, dated 9th October 1868, No. 3,935.

1. I have the honor to acknowledge receipt of the Proceedings of the Board of Revenue, marginally noted, relative to the provision of funds from the General

Port Fund for the completion of the Barwah road, and in reply to inform you, that, as Barwah is a sea-port at which no dues are levied, the cost of the road cannot be transferred from the General Port Fund. All Marine charges incurred at Barwah are met from Imperial Funds.

2. A reference to Act No. VII. of 1867, will clearly show that the alienation of funds for the use of any port, other than those specified in Schedules A. and B. of the Act, is contrary to the provisions of that Act.

*Proceedings of the Madras Government, Revenue Department,
6th January 1869.*

3. The estimate, received with the Board's Proceedings under acknowledgment, is herewith returned.

ENCLOSURE No. 1 — Estimate

UNDER the circumstances stated in the second letter above recorded, and as the branch road from Trunk Road No. VI. to the Port of Barwah, at a cost of Rs. 11,060, is being executed from the Road Fund, the Board sanction, from the current year's Road Fund Reserve, the estimate, amounting to Rupees 1,210, for completing the shore end of the Barwah road.
