*Proceedings of the Madras Government, Public Works Department,
29th April 1869.*

No. 728. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 15th April 1869, No. 352:—

1. I have the honour to forward a comparative statement furnished by Mr. Leggatt, Executive Engineer, No. 4 Range, Madras District, showing the

difference between the amount sanctioned on the original estimate and expenditure incurred for erecting Jail buildings at Madranticum, amounting to Rupees 339-2-9.

2. The Range Officer states that the excess on the Cutcherry and Jail is caused principally, as shown in the statement, by the increased outlay on a latrine which was only approximately provided for in the estimate, and by extra masonry, roof, and window work.

3. The whole outlay, Rupees 2,779, was incurred in the last two official years, and the estimate, Rupees 2,440, sanctioned and funds allotted in G. O., No. 3,414, dated 4th November 1867.

4. Though no specific allotment is required under G. O., No. 1,715, dated 29th May 1868, paragraph 9, as the excess is below 500 Rupees, yet the amount being more than five per cent. on the estimate, I request the sanction of Government for the Controller to pass the expenditure.

No. 729. ORDER THEREON, 29th April 1869, No. 1,409.

CIVIL WORKS, No. 106.

* Rupees 339-2-9.

† Rupees 2,440, sanctioned in G. O., No. 3,414, dated 4th November 1867.

Under the explanation afforded in this letter the Controller of Public Works Accounts is authorized to pass the expenditure* which has been incurred in excess of the sanctioned estimate† on the Talook Cutcherry and Subsidiary Jail buildings at Madranticum in the Madras District.

and by extra masonry, roof and window work.

3 The whole outlay Rs 2779 was incurred in the last two official years, and the Estimate Rs 2440 sanctioned and funds allotted in G.O. Memo dated 4 November 1867.

4 Though no specific allotment is required, under G.O. No 1715 dated 29 May 1868 paragraph 9, as the sum is below 500 Rupees, yet the amount being more than 5 per Cent on the Estimate, requires the sanction of Government for the Controller to pass the expenditure.
