*Proceedings of the Madras Government, Public Works Department,
30th April 1869.*

No. 737. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 14th April 1869, No. 94 :—

1. An estimate of Rupees 4,300 having been sanctioned in G. O. No. 3,805, of the 5th December 1868, for the Subsidiary Jail at Tiroomungalum in the Madura District, I have the honour to report that a mistake was made in the estimate in deducting Rupees 660 as the value of old materials, whereas the deduction ought to have been only Rupees 330. A further addition to the estimate is also necessary, on account of the substitution of brick-in-chunam for brick-in-clay, in accordance with G. O. No. 3,971, of the 19th December 1868, the estimate having been framed before that order was published ; the difference of cost being Rupees 152.

2. I have, therefore, to request that the Government will be pleased to sanction a further sum of Rupees 482, which will make the total estimated cost Rupees 4,782.

3. In my Statement No. I. of Incomplete Works now being submitted, entry is made of the additional sum now shown to be required.

No. 738. ORDER THEREON, 30th April 1869, No. 1,414.

CIVIL WORKS, No. 108.

Under the circumstances explained in this letter, the amount of the estimate for the Subsidiary Jail at

Tiroomungalum will be increased from Rupees 4,300 to Rupees 4,782.

17. An Estimate of Rs. 4,300 having
been sanctioned in G.O. No. 3883 of the
5th December 1868, for the substitution of
at Tirumangalam in the Madras District.
I have the honor to report, that a mistake
was made in the estimate in deducting
Rs. 600, as the value of old materials, &c.
whereas the deduction ought to have been
only Rs. 338 - a further addition to the
estimate is also necessary, on account of the
substitution of brick in Chunanu, for brick
in clay: in accordance with G.O. No. 3077
of the 19th December 1868, the estimate having
been framed before that Order was published.
The difference of cost being Rs. 132.

There being a great deal of work
more will be found to require a further
sum of \$1800 which will make the
total estimated cost \$12,000.

2. In my estimate of the amount of
work now being required, I have assumed
of the additional sum now shown to be
required.

Yours &c.
