*Proceedings of the Madras Government, Public Works Department,
18th January 1869.*

No. 287. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 2nd January 1869, No. 172:—

1. I have the honor, herewith, to forward a survey of the Lunatic Asylum site at Calicut, showing how the various buildings can be placed on it to most advantage with reference to the nature and aspect of the ground; the Superintendent's quarters being placed on the highest site commanding all the rest, which are arranged so as to receive the advantage of the prevailing winds. The accompanying plan shows details of the additions which have been made to the quarters originally designed (as per plan also forwarded), in conformity with the instructions conveyed in G. O., No. 1,251, of 10th August. And a comparative Statement is appended, which shows the extra cost incurred by such alterations, which raise the total amounts of the estimate from Rupees 28,500 to Rupees 31,000.

2 Plans.
1 Abstract Estimate.
1 Survey.

2. The ground has been paid for and taken up some time back, and materials collected. And the buildings have been marked out on the ground as shown in the survey of the site, and planned from my own and the Range Officer's personal knowledge of its peculiarities. So that I hope the allotment of the current year will be availed of to a considerable extent, if not entirely.

No. 288. ORDER THEREON, 18th January 1869, No. 142.

CIVIL WORKS, No. 36.

As the general plan furnished with this letter is not intelligible, the Superintending Engineer will be requested to submit a fresh plan showing clearly the proposed arrangement of the buildings and the additions sanctioned by Government.

Sir,

I have the honor herewith to forward a Survey of the Lunatic Asylum site at Coonoor, shewing how the various buildings can be placed on it to most advantage with reference to the nature and aspect of the ground; the Superintendent's Quarters being placed on the highest site commanding all the rest, which are arranged so as to receive the advantage of the prevailing winds. The accompanying Plan shews details of the additions which have been made to the quarters originally designed (as per Plan also forwarded) in conformity with the instructions conveyed in G.O. No 1251 of 10th August. And Comparative Statement is appended which shews the extra cost incurred by such alterations, which raise the total amounts of the Estimate from Rs 28,500 to Rs 31,000 -

2. The ground has been paid for and taken up sometime back, and materials collected.
