*Proceedings of the Madras Government, Judicial Department,
19th April 1869.*

No. 233. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd March 1869, No. 306.

With reference to our letter, No. 213, of 10th November last, and Proceedings of the Madras Government, Judicial Department, of the 8th December 1868, we have the honor to report on the Subsidiary Jail requirements of the stations marginally noted of the Godavery District.

Rajahmundry.
Yernagudiem.
Polavaram.
Pittapur.

2. *Rajahmundry*.—At this station, we learn from Proceedings of the Board of Revenue, Nos. 8381 of 27th November 1868 and 486 of 26th January 1869, that a new Taluq Cutcherry has been sanctioned, and that a site has been selected at Innespottah, a suburb of Rajahmundry.

3. Plan A shows the present Taluq Cutcherry, which has no accommodation for prisoners. They are sent to the Zillah Jail for confinement.

Plan B exhibits the Police station, sixty yards off. This is a rented building, with two rooms for prisoners.

4. As the Head Assistant Magistrate is to be located at Rajahmundry, we consider that accommodation should be provided for not less than eighteen males and six females in five wards of the standard dimensions.

5. Mr. Chisholm's amended plan of No. 1 Standard Cutcherry should be adopted.

6. *Yernagudiem* is the station of a Tahsildar Sub-Magistrate, thirty-four miles from Ellore.

7. *Polavaram* is the head quarters of a Deputy Tahsildar Sub-Magistrate in the Yernagudiem Taluq, and distant fourteen miles.

8. Government, in their Proceedings, Revenue Department, of 24th February 1869, and in their Order, No. 482, of the same date, sanctioned the transfer of the Tahsildar to Pedda Potavaram, and of the Deputy Tahsildar to Thalapoody. At both of these stations new cutcheries and jails must be built.

9. At the former, accommodation is required for twelve male and six female prisoners in four wards on the amended Standard Plan No. 1; at the latter, the Standard Plan No. 3 of Cutcherry and Jail will be found sufficient.

10. A plan of the existing Police station at Polavaram is enclosed, marked C.

11. *Pittapur*.—At this station, which is twelve miles from Coconada, a Sub-Magistrate is located. His office and jail are shown on plan D. The latter consists of two small wards, quite unfit for the purpose to which they are devoted.

12. The Magistrate considers a new cutcherry and jail necessary here, and we agree with him. We understand that "he (the Zemindar) expresses his willingness to give any site required in his village of Pittapur, requesting only that "land instead of money be given in exchange." This can, the Collector states, easily be arranged, and he promises to have a plan prepared of the proposed new site.

13. The Magistrate should be authorized to employ a sweeper-toly at every station, and to procure cumblics and mats for the use of the prisoners.

*Proceedings of the Madras Government, Judicial Department,
19th April 1869.*

No. 234.

ORDER THEREON, 19th April 1869, No. 641.

In the foregoing letter, the Committee on Subsidiary Jails state that the erection of a new Taluq Cutcherry has been sanctioned at Rajahmundry, and that a site has been selected at Innespettah. As the Head Assistant Magistrate is to be located at Rajahmundry, the Committee consider that accommodation should be provided for not less than eighteen males and six females in five wards of the standard dimensions, and they recommend the adoption of Standard Plan No. 1.

2. The Committee also recommend the erection of new Cutcheries with Subsidiary Jails at Pedda Potaveram on Standard Plan No. 2, and at Thalepoody on Standard Plan No. 3, and a new cutcherry and jail at Pittapur.

3. His Excellency the Governor in Council approves and sanctions these recommendations.

4. A copy of the Committee's Report, and the plans received with it, will be transferred to the Public Works Department, with a view to instructions being issued for the preparation of the requisite estimates.

5. The Collector of the Godavery District is authorized to arrange with the Zemindar of Pittapur for the site required for the new cutcherry at that station, and for giving him an equivalent piece of land elsewhere. He is also authorized to employ a sweeper-toty at each Subsidiary Jail, and to provide the prisoners with cumbies and coir mats.
