No. 154. ORDER THEREON, 12th April 1869, No. 592.

The Superintending Engineer, 1st Division, submits, with his letter above recorded, estimates for the construction of new Cutcheries, combined with Subsidiary Jails at four stations* in the Hill Tracts of Vizagapatam, at an aggregate outlay of Rupees (60,500) sixty thousand and five hundred.

2. It is observed that, since the submission of the estimates, sanction has been granted, on the recommendation of the Agent to the Governor in Vizagapatam, for the removal of the Sub-Magistrate's office from Jeypore to Kottapad. The Cutcherry and Subsidiary Jail proposed for Jeypore will, therefore, be erected at Kottapad.

3. With this modification His Excellency the Governor in Council approves and sanctions the outlay of Rupees 60,500.

4. Considering the large sum of money to be expended, His Excellency the Governor in Council deems it very desirable that these buildings should be constructed under the supervision of the Department of Public Works; and he trusts that the Superintending Engineer, 1st Division, will be able to afford the assistance necessary in this respect.

5. These Proceedings will be communicated to the Public Works Department, in view to instructions being issued for the provision of funds in the current official year.
