Proceedings of the Madras Government, Public Works Department, 3rd May 1869.

No. 47. Read the following letter from the Master Attendant, Madras, to the Chief Secretary to Government, Marine Department, Fort St George, dated Madras, 22nd April 1869, No. 2,587 :—

Letter from Master Attendant, Madras, to Honorable Chief Secretary to Government, Marine Department, dated 23rd March 1869, No. 1,864.
From Master Attendant, Madras, to the Honorable Chief Secretary to Government, Marine Department, dated 8th April 1869, No. 2,202, and one enclosure.
From Master Attendant, Madras, to Honorable Chief Secretary to Government, Marine Department, dated 12th April 1869, No. 2,293, and enclosure from Master Attendant, Cochin, dated 10th April 1869, No. 55.

1. With reference to former correspondence marginally noted, I have the honour respectfully to urge that the Vypeen Main Groyne be now carried out to the full length recommended by the Committee appointed by Government to report on the Port of Cochin.

2. As this work is for the especial benefit of the port, the entire cost of its extension may be met by the General Port Funds.

3. The accompanying copy of letter from Captain Castor* will show the urgency of the case, and now that a representative of the Public Works Department is on the spot, the work can be completed by that officer having the benefit of the plant, the supply of labour, and the superintendence which have been organized by the Master Attendant of Cochin, who will always be ready to lend any assistance in his power.

* Dated 17th April 1869, No. 58.

From J. CASTOR, Esq., Master Attendant, Cochin, to the Master Attendant, Madras, dated Cochin, 17th April 1869, No. 58.

1. I have the honour to submit the accounts of the extension of the Main Groyne at Vypeen, exhibiting a balance of Rupees 32-3-0.

2. This work is now stopped from want of funds.

3. The effect of extending the groyne to the shallows seaward would have been most beneficial to this harbour, but stopping the work just at this juncture, so near the setting in of the rains, is likely to neutralize all the good that has been done.

TRANSFERRED to the Secretary to Government, Public Works Department.

Chief Secretary.
