No. 51. Read the following Memorandum from the Deputy Quarter Master General, to the Secretary to Government, Military Department, dated Fort St. George, 23rd April 1869, No. 3,070:—

The Commander-in-Chief requests the sanction of Government to the sum of Rupees 550, granted in Order of Government No. 3,156, dated 7th October 1868, Public Works Department, for the repair of the "Commissariat cattle shed," being used for the repair of the "dooly shed" at Quilon, under the explanation afforded within.

By order,

(Signed) A. DRURY, Lieut-Colonel,
Deputy Quarter Master General.

From the Officer Commanding Southern Division, to the Quarter Master General, Fort St. George, dated Trichinopoly, 27th March 1869, No. 110.—

1. With advertence to the Order of Government, dated 7th October 1868, No. 3,156, Public Works Department, communicated to me endorsed by your No. 4,004, dated 12th idem, I have the honour to intimate to you that in a further correspondence which has been held with the Officer Commanding Quilon, he states that he erroneously represented the Commissariat cattle shed at that station to be in need of repair, and for the repairs of which Government has, in the above quoted order, sanctioned an expenditure of Rupees 550.

2. It appears that the building which does require repair, and on which it is proposed to expend the amount sanctioned, is the Dooly shed No. 7 on the return of Military buildings at Quilon, in which the doolies, sick carts, Commissariat stores, and public cattle are kept, and I shall be obliged by your informing me whether the grant for the repair of the "Commissariat cattle shed," which is a distinct building, may be made use of for the repairs of the dooly shed, which it is stated is urgently in need of repair before the on coming monsoon.

REFERRED to the Public Works Department, with advertence to Proceedings in that Department No. 3,156, dated 7th October 1868.
