Proceedings of the Madras Government, Public Works Department, 18th January 1869.

No. 299. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Ontimetta, 12th December 1868, No. 3,338:—

1. In returning the accompanying Petition from M. Oblasoo, referred to me for any remarks which I may wish to offer, I have the honor to inform you that Oblasoo was absent without leave from 1st to 28th October 1867; was suspended by Mr. Assistant Engineer Brosnahan on his showing himself on 29th October 1867; and was dismissed by me from 16th December 1867, and as I was informed by Mr. Assistant Engineer Brosnahan that Oblasoo had not been ordered to return to duty on 14th November 1867, I considered that he could claim no pay during the time he was under suspension, as he had absented himself without leave from 1st to 28th October 1867.

2. On referring the question, however, to the Controller, that Officer has ruled that M. Oblasoo "is entitled, under the Uncovenanted Service Rules, to one-fourth of his pay as subsistance allowance during the period of his suspension," and accordingly an abstract has been submitted, and intimation of the same was sent to Oblasoo on 17th ultimo.

No. 300. ORDER THEREON 18th January 1869, No. 148.

ESTABLISHMENT, No. 24.

1. The Government, having in G. O., dated 24th September 1868, No. 3,024, directed the restoration of the Petitioner Oblasoo to his situation, now authorize his full salary being passed to him from the date of his suspension up to 24th October 1868, on which date it appears he took charge of his acting post in the Hindoopoor Talook of the Pennacondah Range.

2. The Petitioner's claim to salary from 1st to 28th October 1867 must rest entirely upon his having actually attended to his duties during that period. There should be no difficulty in ascertaining this from the Range Officer under whom Oblasoo was employed.

Most Respected Sir,

I with most respect and humbly beg to bring the following few lines to your honors kind Consideration. The greatest inconvenience I am labouring under in this petition is that I owe some money in this place (as I have borrowed for my expence upto this time), besides I must prepare for my journey in this rainy season to Hindoopoor which is about 900 or 100 miles distant from this place. Therefore I beg your kind benevolence to take my humble request into notice and to pay me for the days I have stated in this petition for which act of kindness I shall ever pray your honor—

In your honors docket No 2908 of 28th January 68. your honor has stated that I was suspended on the 29th October 1867, but although I was under suspension, Mr. Brismahan ordered me on the 13th November 1867 to do duty under the Ag. I received the Memo No 30 of the Acting Talug Overseer of Raidung (Copy herewith enclosed) Therefore I beg your honor to

to pay me for the above days at least for the present, as some men have got their pay from the date of their dismissal. I also pray your kindness to permit me to appeal to Government inorder to get my pay from the date of my dismissal upto this time. Your humble petitioner is waiting for your favorable orders.

On the 7th October/68 I gave the petition marked A to the Superintending Engineer, regarding the arrears of pay due to me, for which I received the No. 2466 dated 7th October 1868, in reply, in which it may be seen that the Superintending Engineer considers my claims forfeited. On receipt of this I again petitioned on the 6th with a view of bringing my Case in a more favorable light. but to this I did not receive any reply and on the 6th November 1868, I personally presented myself with a petition, begging a reply to my petitions regarding the arrears of pay, but upto this I have not received any answer.
