*Proceedings of the Madras Government, Public Works Department,
18th January 1869.*

No. 307. Read the following letter from the Quarter Master General, to the Secretary to Government, Public Works Department, dated Fort St. George, 11th January 1869, No. 268 :—

1. I have the honor, by order of the Commander-in-Chief, to submit for the approval of Government, the accompanying plans and estimates, prepared by the Executive Engineer at Vizagapatam, for a "Stop Butt," "Marker's Butts," and "Platform," for the use of the Native Infantry Regiment at Waltair.

2. These papers are forwarded direct, to avoid the delay that will be occasioned by their being sent to Waltair, to be transmitted in the usual way by the Superintending Engineer of the Division.

3. The Officer Commanding the Northern District approves of the site which has been selected, and recommends the work for early execution.

No. 308. ORDER THEREON, 18th January 1869, No. 152.

MILITARY WORKS, No. 17.

The Government sanction the estimate of Rupees 1,193 for a new Ball Practice Ground for the use of the Native Infantry Regiment at Waltair, and authorize the work to be proceeded with in anticipation of an allotment of funds being made before the close of the year.

(True Extract.)

Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 1st Division.
.. Quarter Master General.
.. Military Department.
.. Controller of Public Works Accounts.
.. Accountant General.

Ed. S. T. Augustin.

From

Colonel Crawford Cooke
Quarter Master General

To

Colonel C. A. O.
Secretary to Government
Public Works Department.

Sir,

I have the honor, by order of the
Commander in Chief, to submit for the approval of
Government, the accompanying Plans and Estimates
prepared by the Executive Engineer at Vizagapatam
for a "Shop Butte" "Martens Butte" and "Platform"
for the use of the Native Infantry Regiment at
Mallair.

2. These papers are forwarded
direct to avoid the delay that will be occasioned
by their being sent to Mallair to be transmitted
in the usual way by the Superintending Engineer
of the Division.

2 The Officer Commanding the
Northern District approves of the site which has

been

been selected, and recommends the work for
early execution.

I have the honor to be,

Sir,

Your most obedient servant
