Pensions and Gratuities.

Read again—

Financial Resolution, No. 3078, dated 24th October 1863, directing the extension to all pensioned servants of Government the orders previously issued in regard to Military pensions, viz., that such pensions, if obtained not on medical certificate, but after a prescribed period of service, might, on the pensioner's re-employment in any public capacity, be drawn in addition to the salary of the office to which he might be appointed.

RESOLUTION.—To remove certain misapprehensions which appear to exist in regard to the scope of the abovementioned Resolution, the Governor General in Council is pleased to declare that it was not intended, by the orders of the 24th October 1863, that pensions granted on abolition of office, (before the full period qualifying for a good service pension had been completed,) should be drawn in addition to the salary of an office to which the pensioner might be subsequently appointed. It is only good service pensions, granted after completion of the prescribed period qualifying for such pensions, which can be drawn in addition to salary of a post held under Government.

ORDERED, that the foregoing Resolution be communicated to the several departments of Government; the several Local Governments and Administrations; the Comptroller General of Accounts, the several Accountants General and Deputy Accountants General in independent charge.

(Signed) E. H. LUSHINGTON,
Secy. to the Govt. of India.

(Signed) G. H. M. BATTEN,
Under Secy. to the Govt. of India.
