*Proceedings of the Madras Government, Public Works Department,
15th May 1869.*

No. 353. Read the following letter from the Officer in charge of Public Works Operations in the Wynaad, to the Secretary to Government, Public Works Department, dated Luckadie, 6th May 1869, No. 75.—

1. With reference to G. O., No. 1,327, dated 21st ultimo, I have the honour to represent that, in my letter, No. 11, dated 5th April 1869, I did not propose to include Item No. 357, Rupees 36,000, (being allotment for Tambracherry Ghaut,) in the general allotment for the whole line of road, but only that portion of the latter which is comprised between the head of the Tambracherry Ghaut and the Mysore frontier; but I omitted to name Item No. 404 of the Budget in the application, and if there is no objection, I should recommend the substitution of Item No. 404 in place of No. 357, bringing the allotments and total as follows:—

Item No.	358	...	...	...	...	...	...	Rs.	10,000
"	359	...	...	...	...	...	...	"	6,000
"	360	...	...	...	...	...	...	"	5,000
"	361	...	...	...	...	...	...	"	3,000
"	404	...	...	...	...	...	...	"	3,000
Total									27,000

2. Considering the Tambracherry Ghaut as quite an exceptional work, I would much prefer keeping the allotments for it distinct.

No. 359. ORDER THEREON, 15th May 1869, No. 1,606.

CIVIL WORKS, No. 67.

The arrangement recommended in this letter is approved in substitution of that sanctioned in G. O., No. 1,327, dated 21st April 1869.
