Road No. III. Malabar to Special Repairs Malabar — Rs. 1420

Road No. XX. Malabar — Rs. 4150

Road No. XXIII. Malabar — Rs. 7260

Road No. XXII. Cannanore to Special Repairs Cannanore — Rs. 1420

The amount available under the heads of Special Repairs to be drawn upon on sanctioned estimates will be Coimbatore Rs. 2560 including Rs. 2500 Budget deficit

Malabar — Rs. 10800

Cannanore — Rs. 1420

It is desirable that all Repairs in respect of main

maintainance, for which Rs. 110 a mile have

hitherto been found sufficient, should be specially

estimated and provided for — the Malabar one

estimate is already sanctioned, viz that of Rs. 17500

for thoroughly renovating the surface of Imperial

Road No. XXI, from Calicut to the Foot of the

Chang

Tomberehmy Chant, on which under S.O. No 1501 of 15th February Rs 1500 have already been laid out; and I would now propose Rupees 10000 of the Special Repair allotment being appropriated for the year 1869-70.

In connection with this subject it remains to be considered whether the Malabar District Fund Contributions of Rs 3740 and Rs 7700 to the Imperial Road No. XXIII, and No. XX respectively, shall be allowed to stand. I am distinctly of opinion that they should, the sum of Rs 3740 being less than the amount allotted at the Arity Bridge Toll Bar & low toll & revenue duty Chant on the former Road, and Rs 7700 much less than the net proceeds of tolls on the Coast Road Bridges in Malabar, for the maintenance and renovation of which that sum has hitherto been reserved and is urgently required.

I desire also to take this opportunity of pressing for a decision on the subject of settling the various Chant Roads and Bridges allotted to me, my letters printed with S.O. No 83 of 12th January, specially with reference to the Coimbatore District, in which Roads formerly drawing upwards of Rs 3000 of maintenance allowances from Imperial Funds have been thrown on the District List. In stating which I beg to be distinctly understood as not in the least impugning the Classification adopted by Government, or desiring to modify it, but simply insisting on the necessity of adequately increasing the Local Revenue for local purposes in

in the legitimate manner already recognized and partially acted on.

I have the honor to be
Sir
Your Most Obedient
