Maintenance of avenues — Proceedings Revenue Department, passing orders on the Proceedings of the Board of Revenue requesting that the cost of maintenance of avenues, &c, along the canal banks in the Godavery District may be charged to Imperial Funds, communicated to the Officer concerned.

Proceedings of the Madras Government, Revenue Department,  
10th May 1869.

Read the following —

No. 214 Proceedings of the Board of Revenue, dated 22nd February 1869, No 1,166.

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Bandarlanka, 21st January 1869, No. 10.

I HAVE the honor to forward copy of a letter from the Superintending Engineer, 1st Division, dated 14th instant, No. 181, requiring Rupees 300 for maintaining avenues, etc, along the canal banks, in addition to the Budget allotment for 1868-69 (Rupees 3,500), and to request Board's sanction for the same.

ENCLOSURE No 1

From the Superintending Engineer, 1st Division, to the Collector of the Godavery District, dated Dowlaishweram, 14th January 1869, No 181

I HAVE the honor to inform you that a further sum of Rupees 300 is required for maintaining avenues, etc, along the canal banks, in addition to Budget allotment for 1868-69—namely, Rupees 3,500,—and to request you will be so good as to obtain the sanction of the Board to the above effect

THE Board sanction, from the current year's Road Fund Reserve, the sum of Rupees 300 applied for in the Collector's letter, and request the Accountant-General to place the amount at the disposal of the Public Works Department.

2. The Collector is requested to state whether these charges should not be defrayed from Imperial Funds, the Canal License Fees being now credited to the State.

No. 215 Proceedings of the Board of Revenue, dated 27th April 1869, No 2,828

Read again Board's Proceedings, dated 22nd February 1869, No 1,166  
Read also the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Ramachendrapur Talook, 6th March 1869, No 39

IN reply to the Board's Proceedings of the 22nd ultimo, No 1,166, I have the honor to state that the maintenance of avenues along the navigable canal banks would, in my opinion, be a fair charge on Imperial Funds, seeing that the Canal License Fees are credited to that branch of the Revenue

Up to August 1868 the License Fees on the Delta canals were credited to Local Funds, and the avenues on the banks of the canals were therefore kept up from the same source

2 Now that, under the orders of the Government of India, communicated with Government Order, 16th September 1868, No 2,401, the License Fees are credited to Imperial Funds, it seems to the Board no longer just to saddle the Local Funds with the cost of maintaining the avenues, and they resolve to request Government to undertake the requisite expenditure from Imperial Funds.

2. The income derived by the Local Fund from the trees and grass on the canal banks during the last four years should be reported together with the charges for conservancy.
