*Proceedings of the Madras Government, Public Works Department,
19th January 1869.*

No. 328. Read the following letter from the Officer in charge of Operations, Wynaad, to the Secretary to Government, Public Works Department, dated Luckadie, 7th December 1868, No. 664 :—

1. I have the honor to forward plans and estimates for Police buildings as per margin, duly countersigned by the Acting Inspector General of Police, the present estimates and plans are substituted for those originally proposed and sanctioned in G. O., No. 3,584, dated 28th November 1865, and G. O., No. 3,343, dated 29th October 1867.

2. The alteration has been by request of the Superintendent of Police, South Malabar, the arrangement in separate blocks, though more expensive, is adopted from considerations of caste prejudices, which would be found to interfere with the arrangement of the Standard plan, the configuration of the ground prevented an exact adherence to the latter in case of Vythery buildings.

3. I have the honor to request that allotments for the estimates may be substituted for those before given, and the heading altered as follows :—
