*Proceedings of the Madras Government, Public Works Department,
20th January 1869.*

No. 350. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Masulipatam, 1st January 1869.—

1. I have the honor respectfully to submit, for the consideration of Government, that I am, as a Lieutenant-Colonel, debarred from receiving Rupees 108 of the monthly salary allotted to the office of Superintending Engineer, since the Government have been pleased to promote me only to the 2nd Grade of the 2nd Class.

2. The nominal salary of both grades is the same, but the total amount is affected by the limit ordered by the Government of India—see paragraph 6 of Proceedings published by Madras Government, with No. 615, 26th September 1865. The whole sum is provided for in the Budget, as my appointment is almost exceptional.

3. In support of my request to be placed at least in the 1st Grade 2nd Class, I beg to point out that it is upwards of three years since I was reduced from my position as a Superintending Engineer, and that in the 1st Class 1st Grade, so that even with this promotion I should be still receiving Rupees 100 per month less than my former salary.

4. In this Division I have more than ordinary travelling with consequent expense; and responsibility in carrying out the orders of Government for the immediate investigation of the projects required to complete the irrigation system under the Kistna Anicut, and to improve the Nellore District.

5. I trust therefore that, in consideration of the above, and the very severe punishment I have already suffered, the Government will be pleased to promote me to the 1st Grade, which will enable me to draw the full amount of salary allotted to my position in the Civil and Military service.

No. 351. ORDER THEREON, 20th January 1869, No. 174.
