Proceedings of the Madras Government, Judicial Department,

9th January 1869

No. 42. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George, dated Madras, 15th December 1868, No. 238.

We have ascertained that the iron bars recommended by us in our letter, No. 9, dated 15th July 1867, and sanctioned in G. O., Public Works Department, 4th November 1867, No. 3414, do not extend to the roof of the Police station at Chingleput

2. We have, accordingly, had an estimate prepared, which we beg to enclose or sanction, amounting to Rupees 70, for extending the bars.

3. We take this opportunity, also, of recommending that venetian shutters should be added to the veranda at the back of the new wards of the Chingleput Subsidiary Jail. The wards are elevated and on the bank of a tank, and the rain and wind enter more freely than is desirable.

4. An estimate is enclosed, amounting to Rupees 230, this for work.

No. 43. ORDER THEREON, 9th January 1869, No. 26.

His Excellency the Governor in Council approves and sanctions the recommendations of the Committee on Subsidiary Jails to extend the iron bars in the Police Station at Chingleput to the roof, and to provide venetian shutters to the veranda at the back of the new wards of the Subsidiary Jail at that station.

2. The estimates submitted by the Committee will be transferred to the Public Works Department, whence orders will be issued for the provision of funds, and for the execution of the works.
