*Proceedings of the Madras Government, Judicial Department,
9th January 1869.*

No. 40 Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 5th December 1868, No 177.
I have the honor to submit plans and estimates for quarters for the Vizagapatam Jail guard.

- 1 Plan
- 1 Estimate
- 1 Memorandum to accompany estimate.

2 At the instance of the Inspector General of Jails, and with the concurrence of the Inspector General of Police, the strength of resident guard provided for, has been reduced to sixteen Constables, two Deputy, and one Head Constable

3 The plan adopted by Captain Beatty, though differing from the arrangement of the standard plan, is approved of by the Inspector General of Police as having answered well in other parts of the Vizagapatam District, and its estimated cost is slightly less than that of the standard design

4. As quarters for the Jail guard are urgently needed, I have directed Captain Beatty to commence building them at once, in anticipation of sanction.

Referred to the Judicial Department.
