Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Revenue Department, 10th June 1869.

No. 240. Read the following Proceedings of the Board of Revenue, dated 5th May 1869, No. 3,031.

Read the following letters:—

From the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 22nd September 1868, No. 899.

THE Travellers' Bungalow noted in the margin, situated on the coast line in this district, is in a very dilapidated state, and its walls, roof, etc., in need of early and complete renewal.

Mulki on the coast road from Cannanore to Bombay.

2. The Executive Engineer in charge of the Range estimates the approximate cost of renewing the building at Rupees 1,200.

3. With such funds as were at my disposal out of the grant for monsoon repairs of bungalows, I had the building tolerably repaired and protected from the last monsoon, but it has since undergone further decay, and unless renewed thoroughly before another monsoon sets in, will, I fear, fall to ruins.

4. I have the honor, therefore, to request that the Board of Revenue will be pleased, with reference to the Orders noted in the margin, to obtain sanction for the re-construction of the bungalow, and for the preparation of a regular estimate for the work.

G. O., 1st December 1866, No. 3,826, Public Works Department, and paragraphs 84 and 85 of Chapter V. of the P. W. Code.

From the same Officer, dated Mangalore, 24th March 1869, No. 325.

IN reply to the Board's Official Memorandum, dated the 23rd ultimo, No. 161, I have the honor to state that the nearest Travellers' Bungalow to that of Mulki on the south is that of Mangalore, which is 18½ miles distant from it, and the nearest similar building to the north is the Udipi Bungalow, between which and Mulki there is a distance of 19 miles.

2. The number of travellers who stayed at the Mulki Bungalow in 1867-68 was thirteen.

3. The balance of Public Bungalow Fund in this district at the end of last month is shewn in the margin. The amount available will, however, be probably entirely absorbed by subsequent expenditure in the last and current months, and instead of a balance to meet the proposed cost of the bungalow, I fear there will be a deficit at the end of the year. Moreover, no funds are likely to be available in the ensuing year 1869-70, as on reference to the Budget of that year the Board will observe that the small anticipated receipts of that year are required for ordinary expenses connected with the Fund. I would, therefore, suggest that the required funds for the re-construction of the Mulki Bungalow, be provided by a grant from Imperial Funds.

	Rs.	A.	P.
Balance on 28th February 1869 ...	385	14	6
Probable receipts in March	20	0	0
	405	14	6
Probable expenditure in March 1869, including supervision allowance to Department Public Works... ...	500	0	0

Rupees 800.

4. With reference to paragraph 2 of the memorandum under reply, I beg to refer the Board to the correspondence noted in the margin, from which it will be seen that the necessity for retaining the bungalows on the coast line of this district has already been reported on, and that Government have sanctioned the retention of five bungalows along the coast, of which the Mulki Bungalow, now under reference, is one.

To Board, 4th June 1866, No. 94, paragraphs 14 to 16.
Board's Proceedings, 15th January 1867, No. 274, paragraph 68.
Proceedings of Government, 10th May 1867, No. 1,067, paragraph 14.
Board's Proceedings, 4th July 1867, No.4,170, ayragraph 6.

The Board resolve to submit these letters for the Orders of Government.

2. Although the bungalow at Mulki is not much resorted to, and is now in ruins, it is an essential link in the chain of coast bungalows which Government decided to maintain, in Government Order, dated 10th May 1867, No. 1,067, paragraph 14. The Board, therefore, recommend that the requisite orders may be issued for the preparation of a detailed estimate for re-constructing it.

3. The manner in which funds can be provided for the work must be left for future consideration.

No. 241. Order thereon, 10th June 1869, No. 1,648.

Local Funds, No. 2.

The Board will accordingly instruct the Collector to submit an estimate for re-constructing the bungalow at Mulki.
