*Proceedings of the Madras Government, Ecclesiastical Department,
9th June 1869.*

No. 19. Read the following letter from the Commissary of the Diocese, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 25th May 1869.

At the request of the Right Reverend the Bishop I have the honour to forward a letter from the Reverend J. W. Wynch, Chaplain of Mercara, proposing certain alterations and improvements in the church of that station, with accompanying plans and estimate for the same, together with a memorandum from His Lordship in approval of the first proposed alteration of which Mr. Wynch requests that Government will bear the expense, which is estimated at Rupees 250.

2. As, with this exception, viz., the enlargement of the east end, Mr. Wynch undertakes to effect the proposed alterations by voluntary subscriptions, I trust the Right Honourable the Governor in Council will be pleased to accord his sanction to the moderate assistance which he solicits from the Government.

No. 20. ORDER THEREON, 9th June 1869, No. 108.

The Governor in Council sanctions the alteration proposed by the Chaplain, and approved by the Bishop, to the Chancel of the Church at Mercara, at the estimated outlay of Rupees 250. The necessary instructions will accordingly be issued in the Public Works Department if funds are available for the execution of the work.

2. It is observed that the cost of further alterations proposed by the Chaplain and unobjected to by the Bishop are to be carried out by local subscriptions.

With reference to Mr. Wynek's letter of the 7th inst., I am of opinion that his first proposed alteration in the Church at Marara (of which he requests that Government will bear the expense) is a very decided improvement and is much needed, as the Church is small and the East End crowded and shabby.

To the other four proposed alterations I have no objection to offer.
