*Proceedings of the Madras Government, Public Works Department,
17th June 1869.*

No. 386. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Nangunery, 1st June 1869, No. 528:—

I HAVE the honour to represent that Paragraph 2, and paragraph 2 of Controller's letter, by G. O., No. 1,442, of the 3rd May 1869, the charge for four Lascars, under Mr. Bell in Tinnevely, has been struck out from my Statement of Temporary Establishments for 1869-70, and made debitable to Minor New Works.

2. On my asking the reason why the charge for Mr. Bell's Lascars is treated differently from that for all the other Officers on special duty, as detailed in the Statement for this division, the Controller refers me to G. O., No. 1,278 of 27th April 1868, and declines to pass the charge from savings in the allowance for the division in general, according to my proposal. The Controller, at the same time, concurs in my views, and suggests a reference being made to Government.

3. There are many demands on the allotment for Minor New Works, Tinnevely, Rupees 3,500, under the head "Agricultural," and I request sanction for the monthly charge, Rupees 28, being debited to the grant for Temporary Establishment, which will not cause any additional expenditure.

No. 387. ORDER THEREON, 17th June 1869, No. 1,979.

ESTABLISHMENT, No. 47.

As, under the orders of the Government of India, charges for Lascars and such like inferior servants employed on survey duties are debitable to the allotment for Minor New Works, the Government are unable to accede to the request *Vide G. O., No. 333-A., dated 28th February 1862.*

2. The Controller of Public Works Accounts will furnish a Statement of the sanctions accorded by Government to the entertainment of establishments consisting of Lascars only, for employment under Officers engaged in the investigation of projects.
