Dated 17 - 6 - 1869.

Read the following papers:—

No. 392. From P. O'RATIGAN, Esq., Assistant Engineer, 1st Grade, to the Secretary to Government, Public Works Department, dated Madras, 12th June 1869.

As I am not in good health I beg to request that I may be granted the indulgence of three months' privilege leave, not having received any leave of this description during the last five years.

2. I beg also to enclose two bills, one for the expenses incurred in returning from Calcutta, and the other for a portion of the expenses incurred in proceeding to Calcutta, which the Controller of Public Works Accounts, Bengal, refused passing, for the reasons given in enclosure No. 3.

3. I beg to inform you that I have been paid my salary, and also my travelling allowance bill for the month of May at Calcutta, with the exception of the amount disallowed, *i.e.*, Rupees 163-3-6; but as this sum has also been *bona fide* expended by me, I trust the Government will be pleased to pass it to me.

With reference to the other, *being serious loss* that I have been compelled to undergo on removing to Bengal, I beg to state that as Government have been already made aware of the facts of the case, I shall not trouble them any further by going into details; but will leave the matter entirely in their hands, in the hope that something will turn up soon to enable me to make good at least a portion of my loss, as at present my finances are not in a very healthy condition.

REFERRED to the Controller of Public Works Accounts for report as to whether Mr. O'Ratigan is eligible for the leave applied for, and how far the claims referred to in paragraphs 2 and 3 are admissible.

No. 393. Report of the Controller of Public Works Accounts, dated Madras, 14th June 1869, No. 546.

UNDER the rules, Officers transferred from one station to another are entitled to mileage or travelling allowance according as the journeys made by them exceed, or are less than, twenty miles per diem. They are also entitled to free passages for themselves and for a certain number of servants, if required to go by sea. Under these rules, Items 1 to 4, 6 to 10 and 12, in the bill marked A., are inadmissible. With regard to the charge for boat-hire, included in items 5 and 11, there is no distinct ruling, but it has always been usual in this Presidency to pass *bona fide* expenses on this account.

2. As respects the bill marked B., Items 1 and 2 are admissible, and the Government may, perhaps, following existing practice, be disposed to pass the charge for boat-hire included in Item 5. The other claims are not provided for in the Travelling Allowance Rules.

3. Charges for the conveyance of tents by sea are specially admitted under the orders of Government, but there is nothing, in the present case, to show of what the extra luggage, for which two* claims are submitted, was composed.
