Proceedings of the Madras Government, Public Works Department,
18th June 1869.

No. 400. Read the following Circular from the Officiating Secretary to the Government of India, Public Works Department, (Military Works,) to the Governments of Bengal, the North-Western Provinces and the Punjab; the Chief Commissioners of the Central Provinces, British Burmah and Oudh; the Resident at Hyderabad, and to the Agents of the Governor General for Central India and Rajpootana, dated Simla, 13th May 1869, No. 34:—

It having been brought to the knowledge of the Government of India that an instance has occurred in which large parties of work-people employed in the construction of new barracks for troops have defiled the ground in the immediate neighbourhood of the new buildings, and have thus rendered their occupation by troops seriously objectionable, I am directed to state that the Governor General in Council desires that Local Governments and Administrations will impress upon all Officers concerned in building operations the necessity of taking effective measures to prevent the occurrence of the evil complained of, by the adoption of proper sanitary arrangements, particularly in such cases as the construction of barracks, in which generally large bodies of workmen are employed.

Copy forwarded to the Governments of Madras and Bombay; Chief Commissioner of Mysore and Coorg; to the Military Department, Adjutant General, Quarter Master General, and Sanitary Commissioner with the Government of India for information.
