Proceedings of the Madras Government, Public Works Department, 4th November 1861.

No. 5. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Secretary to Government, dated Chepauk, 17th October 1861, No. 6,030 :—

SIR,

2 Letters from District Engr., South Arcot, Nos. 85 and 100, dated 5th and 24th September 1861.

Nos. 85 and 100, dated 5th and 24th September 1861.

1. I have the honor to submit, for the Orders of Government, the correspondence marginally noted, from the District Engineer of South Arcot, requesting permission to sell the old Travellers' Bungalow at Woolacoor, which was purchased under the sanction of Government for a sum of Rupees 189, for an Overseer's Shed, and with the proceeds thereof to erect a new shed at Madapet, on Trunk Road No. 8, about 7 miles south of the Pennár.

2. The Woolacoor Bungalow, which is situated about 7 miles from Tindévanum, and about 2½ miles from the Trunk Road No. 8 which formerly passed through it, has never been used as an Overseer's shed, nor is it likely that it ever will be appropriated as such. The District Engineer expects to realize about Rupees 150 by its sale, which sum will be sufficient for the construction of a new shed at Madapet. A piece of waste ground, near the road, will be obtained for the purpose free of charge.

3. Captain Foord remarks that a shed built at the proposed site "will also be useful for "the new road from Cuddalore to Trikalúr which crosses the trunk road at that place."

4. Under these circumstances, and as no actual outlay will be involved thereby, I have the honor to recommend that Government will be pleased to comply with Captain Foord's request.

No. 6. ORDER THEREON, 4th November 1861, No. 2,022.

The arrangement proposed in this letter is sanctioned on the understanding that no extra expense is caused to the State.

(Signed) J. D. SIM,
Secretary to Government.
