Proceedings of the Madras Government, Public Works Department, 4th November 1861.

No. 11. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Secretary to Government, dated Chepauk, 18th October 1861, No. 6,074:—

SIR,

1. With reference to the 3rd paragraph of the Proceedings of Government, No. 1,818, of the 1st instant, calling upon me to report approximately, what additional expense will be necessary for Lithographing the Irrigation map of the Madras Territories, lately furnished to the Right Honorable the Secretary of State for India, I have the honor to state, that there will be no additional expense incurred for Lithographing the map in question; the present establishment of the Lithographic Department of this Office being equal to the work.

2. I would suggest that 100 copies of this very elaborate and correct map be printed, so that a few may be available for sale.

No. 12. ORDER THEREON, 4th November 1861, No. 2,025.

1. The proposal of the Chief Engineer to Lithograph 100 copies of the Irrigation map of the Madras Territories is approved. He will report what the cost of paper, &c., will be.

2. Colonel Horsley will state clearly with reference to paragraph 8 of the Despatch from the Secretary of State, dated 8th August 1861, No. 36, what arrangements he proposes to make for transmitting to the Home Government at the close of every official year 12 copies of the map corrected up to date.
