CIVIL WORKS, No. 75.

COMMUNICATED to the Superintend-
ing Engineer of the 7th Division.

Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Judicial Department,
11th June 1869.

No. 81. Read the following letter from the Superintending Engineer, Seventh Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Coonoor, 24th May 1869, No. 40.

I have the honour to report, as follows, on Subsidiary Jail work in the Malabar district.

2. The new Cutcheries at Tellicherry and Manjerri, first in precedence in the list received with your Memorandum, No. 66, of 28th October 1868, and for which the sums of Rupees 30,000 and Rupees 25,000, respectively, were sanctioned in G. O., No. 3339, of 22nd October 1868, have had Rupees 11,017 and Rupees 2625 spent on them in 1868-69, and the Subsidiary Jail accommodation of both will be completed before the monsoon of this year. Only Rupees 10,000 each having been allotted in the budget of 1869-70, transfers to their credits of further sums of Rupees 7000 and Rupees 7000 have been solicited in my Statement No. III. of demands on the reserve of the current year.

Five plans.
Do. estimates.
Two sketches.
One list.

3. Third in order was the Buddagherry Subsidiary Jail, on which Rupees 3239 were laid out last year on an estimate of Rupees 5015, herewith submitted with plan.

4. For the Tirroovangady Jail No. 4 on the list, an estimate of Rupees 1187 is herewith submitted. No expenditure having been incurred last year the full amount will be required in 1869-70, instead of the sum of Rupees 650 entered in my Statement No. II.

5. Rupees 1072 were spent in 1868-69 on No. 5, the Taliparamba Subsidiary Jail on an estimate of Rupees 4200, herewith submitted with plan and sketch of site.

6. Rupees 94 only were spent on No. 6, the Quilandy Subsidiary Jail, on an estimate amounting to Rupees 1730 herewith submitted.

7. No. 7, Subsidiary buildings only were ordered for Alatoor Cutcherry, the cost of which will be Rupees 1650, as per estimate herewith submitted, of which Rupees 406 were expended in 1868-69.

8. An accompanying plan shows what has been finally settled on for Subsidiary Jail accommodation at Ponany on an estimate of Rupees 4410, of which nothing was spent last year. This includes a latrine and cook-houses for which I presume, the Magistrate has selected fitting sites; a matter of difficulty in such a locality.

9. The new wards and subsidiary buildings for Chowghaut are estimated to cost Rupees 5242, of which Rupees 328 were spent in 1868-69.

10. BETTUT PUDIANGADY.—Same arrangements as for Chowghaut; cost Rupees 4873. Laid out in past official year—Rupees 518.

11. ANGADIPURAM.—The same; estimate Rupees 4613. Expenditure Rs. 666.

12. Subsidiary buildings to the Cherpalcherry Cutcherry are estimated to cost Rupees 1477, of which Rupees 300 were spent.

13. New Police and Jail-rooms and a latrine at Chevayoor will cost Rupees 770, of which Rupees 217 were spent.

*Proceedings of the Madras Government, Judicial Department,
11th June 1869.*

14. Rupees 9290 will be required to build a new Cutcherry for the Sub-Magistrate of Kotyam taluq, on the accompanying plan (2nd class standard) and estimate. The removal of the offices from Chavecherry to Coothaparamba does not appear to me to be likely to suit the general public, but I presume it has been considered advisable on other grounds. An illustrative sketch of the new site is annexed: it is an eligible one.

15. A plan herewith forwarded shows the alterations practically best for the Palghaut Subsidiary Jail decided upon by myself in company with the Magistrate and Executive Officer, and coinciding with the proposals of the Subsidiary Jail Committee, except in giving additional space to the wards in the left wing. The estimate amounts to Rupees 3202, and expenditure of 1868-69 to Rupees 250.

16. The few alterations at Cochin Jail and new latrine will cost Rupees 490.

Referred to the Judicial Department, with reference to the undermentioned orders in that department:—

No. 1800, dated 27th November 1868.

No. 82.

ORDER THEREON, 11th June 1869, No. 978.

It appears from the list submitted by the Superintending Engineer, Seventh Division, with his letter above recorded, that the estimated cost of erecting new Cutcheries and Subsidiary Jails and making additions and alterations to existing jails in the district of Malabar amounts to Rupees 1,03,179; of this amount Rupees 20,755 have been expended in the past year 1868-69, and Rupees 55,066 are stated to be required during the current year.

2. His Excellency the Governor in Council sanctions the estimated outlay of Rupees 1,03,179, and directs that the plans and estimates be transferred to the Public Works Department with a view to funds being allotted, on receipt of the sanction of the Government of India, to the special application which will be made to them for an additional grant on account of Subsidiary Jails.

3. The Collector of Malabar will arrange for the selection of suitable sites for the Cook-room and Latrine at Ponany, and for the purchase of the site chosen by the Superintending Engineer for the new Cutcherry at Kutiparamba.
