Proceedings of the Madras Government, Public Works Department,
23rd June 1869.

No. 500. Read the following letter from the President of the Municipal Commission, Madras, to the Secretary to Government, Public Works Department, dated Madras, 18th June 1869, No. 816 :—

I HAVE the honour to bring to your notice that the proprietor of the Presidency College (Cassoova Mudeliar) promised last year to make a gift of a piece of the College compound at the south-west corner, provided a public well was sunk on the ground. A fountain has been provided for this spot in the Water Distribution Project, and arrangements were recently made for sinking a well on it, when it was discovered that the premises were likely to be purchased by Government; if this is so, I shall be glad if you will be so good as to obtain sanction for the transfer to the Municipality of a triangular plot of this compound, measuring 100 feet on the Pantheon Road and 100 feet on the Harris' Road.

2. An early order is particularly requested, as the sinking of wells at this season is most important.

No. 501. ORDER THEREON, 23rd June 1869, No. 2,035.

CIVIL WORKS, No. 77.

IN the event of the Government acquiring possession of the property referred to, they will be prepared to take Colonel Denison's application into consideration.
