Proceedings of the Madras Government, Public Works Department, 23rd June 1869.

No. 504. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Masulipatam, 7th June 1869, No. 41:—

I HAVE the honour to report that I have dismissed, from the Department Public Works, Talook Overseer P. T. Kelly. On the 21st April Lieutenant Edgcome reported that he had discovered measurements on Ryves's Canal (under Mr. Kelly's charge) so incorrect that they must have been wilful, and his defence was soon proved to be false. Lieutenant Edgcome, however, hoped that as he was young, censure would be sufficient.

2. He has, however, apparently continued his misconduct, and when sent for to attend Office at 7 A.M. of the 4th instant, was found utterly prostrate from drink.

No. 505. ORDER THEREON, 23rd June 1869, No. 2,037.
