Colonel, R.E.,
Secretary to Government.

Proceedings of the Madras Government, Ecclesiastical Department, 9th June 1869.

Read the following papers :—

No. 16. From the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 12th April 1869, No. 47.

I have the honour to submit, for the favourable consideration of His Excellency the Governor in Council, a letter from the Reverend J. S. Wilkinson, Minister of Nellore, (on behalf of the Church Committee at that station), requesting sanction for repairs to the church, in accordance with an estimate, amounting to Rupees 149, made by the District Engineer.

From the Reverend J. S. WILKINSON, Minister of Christ Church, Nellore, to the Venerable the Archdeacon, Madras ; dated Nellore, 30th March 1869.

I have the honour to forward to you, at the request of the Church Committee of this station, an estimate of repairs required for the church, which has been made, at their request, by the District Engineer, dated 18th February 1869, and to request that, if it meets with your approbation, you will lay it before Government with your recommendation that it may be sanctioned.

No. 17. From the Commissary of the Diocese, to the Acting Under Secretary to Government, Fort Saint George ; dated Fort Saint George, 28th May 1869, No. 59.

With reference to your Official Memorandum, Ecclesiastical Department, No. 174, dated 21st April 1869, I have the honour to forward the enclosed letter of explanation from the Reverend J. S. Wilkinson, Minister of Christ Church, Nellore, which I trust may be considered satisfactory by the Right Honourable the Governor in Council.

From the Reverend J. S. WILKINSON, Minister of Christ Church, Nellore, to the Acting Archdeacon, Madras ; dated Nellore, 24th May 1869.

In reply to a letter from Archdeacon Dealtry, dated 26th April 1869, addressed to the Church Committee of this station, asking us to state "for the information of the Right Honourable the Governor in Council that necessity exists for the expenditure entered in" the "estimate for repairs to the church at Nellore, under the heads 'tarring the church floor' and 'making a new punkah 15 feet long,'" I beg to inform you that the object for which it has been proposed to have the church floor tarred is to keep away the white ants, which have been found very troublesome.

2. A new punkah is thought necessary to be substituted for the foremost of those which are now in use in the body of the church, which is very unsightly and out of keeping with those behind it, being made up of two smaller punkahs of rough workmanship joined together by iron bands, a gap being left in the middle.

P. S.—I return (enclosed) the memorandum from the Acting Under Secretary, which was sent to me by the Archdeacon.

No. 18. ORDER THEREON, 9th June 1869, No. 107.

The estimate for repairs to the Nellore Church, amounting to Rupees 149, is sanctioned, and will be forwarded to the Public Works Department in view to instructions being issued for the execution of the repairs.

2. The Reverend J. Wilkinson's letter of the 24th May will be returned to the Venerable the Archdeacon as requested.

(True Extract).

Chief Secretary.

To the Public Works Department, with the estimate.
