No. 567. Read the following Endorsement of the Assistant Secretary to the Government of India, Public Works Department, (Establishment,) dated Simla, 28th May 1869, No. 838-E.

Read the following letter from the Government of India, Public Works Department, (Establishment,) to the Right Honorable the Secretary of State for India, dated Simla, 28th May 1869, No. 69:—

In forwarding, for the information of Her Majesty's Government, the accompanying copy of a communication received from the Agent to the Governor-General in Rajpootana, we have the honour to state that we do not consider it desirable that Major F. C. Taylor, M. S. C., late Superintendent of Roads in the Meywar State, who has proceeded on furlough to Europe, should be re-employed on Public Works on his return to India, and we have to request that he may be informed accordingly.

2. Major Taylor is not an Officer of the Public Works Department, but a Madras Staff Corps Officer, who has for some time past been paid by the Meywar State for superintending its roads. He is therefore not entitled to any emoluments in England, beyond the ordinary furlough pay of a Staff Corps Officer. We mention this because he has drawn from the Public Works Department in Bombay half his staff salary for the term of his subsidiary leave, and he may consider himself entitled to something more, while on furlough, than a moiety of his staff corps pay. We would request that the amount, Rupees 30-13-9* thus overdrawn, may be recovered from Major Taylor, and credited to the Government of Bombay.

* Less Income Tax.

Copy of the foregoing forwarded to the Government of Madras in the Public Works Department for information.
