Civil Engineering College — Proceedings
Educational Department, sanctioning the
estimate of Rupees 160-12-0 for the con-
struction of two almirahs and twelve chairs
required for the Civil Engineering College,
Madras, recorded

Proceedings of the Madras Government, Educational Department,
13th January 1869.

No. 15. Read the following letter from the Director of Public Instruction, to
the Chief Secretary to Government, Fort Saint George, dated Madras,
7th January 1869, No 22.

I have the honor to submit a letter, No 442C, and an enclosed estimate, from
the Principal of the Civil Engineering College, and to request that sanction may be
given to the estimate, which amounts to Rupees 160-12 0.

From the Principal of the Civil Engineering College, to the Director of Public Instruction, Madra
dated Chepauk, 6th January 1869, No. 442C.

I have the honor to submit, for sanction, an estimate, (prepared in Barrack Master's Office,) amounting to Rupees 160-12-0, for the construction of two small teakwood almirahs and twelve chairs, which are very much required in the College.

2 At present there is only one almirah for surveys and drawings between the three Mas-
ters of 1st and 2nd Classes, 2nd Department and Special Department, and this arrangement is
found to be very inconvenient. Moreover there is not room enough for all the plans I propose,
therefore, giving up this almirah for the use of the Masters of 2nd Class and Special Department,
and I should thus require the two new ones for Mr Gilby's use in 1st Department and 1st Class,
respectively

3 The chairs are required to supply the places of others worn out
4 The estimate seems a moderate one, and the amount can be met from the Budget provi-
sion for contingencies, and I request, therefore, you will recommend it for the early sanction of
Government.
