Proceedings of the Madras Government, Public Works Department,
30th June 1869.

No. 667. Read the following letter from the Officiating Secretary to the Government of India, Public Works Department, (Irrigation,) to the Secretary to the Government of Fort St. George, Public Works Department, dated Simla, 11th June 1869, No. 163-I. :—

THE attention of the Governor-General in Council having been drawn to entries Nos. 184-185 in the Revenue (Irrigation) Proceedings of the Madras Government during April 1869, regarding the water-supply from the Madras Irrigation Company's Canal in the Kurnool District, His Excellency in Council desires me to remark that the apparent want of success in the Irrigation Company's works up to the present time, as indicated in paragraph 18 of the Proceedings of the Board of Revenue, is not encouraging. I am accordingly to request that the Government of India may be furnished, at an early date, with a special report of the present state and prospects of the works, together with a statement of the expenditure incurred.
