*Proceedings of the Madras Government, Public Works Department,  
30th June 1869*

No. 677. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Sattyamungalum, 12th June 1869, No. 44 —

In forwarding herewith plans and estimates for the subsidiary buildings to be attached to the New Artillery Barracks at Cannanore, for which a sum of Rupees 15,000 has been provided in the Budget of 1869-70, Item No 46, I have the honour to observe that out of the under-mentioned buildings only the Plunge-bath and Fives' Court can be undertaken, so long as a Field Battery is stationed at Cannanore, instead of a Garrison Battery.

The buildings, numbered one to eleven, are, in fact, proposed to be converted out of the existing Horse-stables and other buildings attached to the Field Battery, beautifully situated in rear of the New Barracks, in excellent order, and approved by His Excellency the Commander-in-Chief, as not being too far removed or otherwise objectionable. On the supposition that the Fives' Courts and Plunge-bath alone can be carried out in 1869-70, Rupees 6,530 will be available for transfer to Item No. 40 of the Budget of 1869-70—"Replacing asphalte-floors of Wellington Barracks and Married quarters with timber," whereof the allotment of Rupees 10,000 is very insufficient, compared to the estimate of Rupees 27,775 sent to the Deputy Assistant-Quartermaster-General, Southern Division, under date the 4th September 1868, but not yet sanctioned.

P. S.—THE approval of these papers by His Excellency the Commander-in-Chief has been duly solicited and obtained.
